

Rowan University
2019 Rowan University Student Scholars Symposium (RUSSS)
April 25-26, 2018
Eynon Ballroom, Chamberlain Student Center

After 21 years of providing a professional-style venue for Rowan's undergraduate and graduate students to present the results of their research in the science, technology, engineering, and mathematics fields, the Rowan University STEM Student Research Symposium is expanding its mission to allow **students from ALL disciplines to present their original research, creative works, and entrepreneurship.** With the broader scope comes a new name as we are now the **Rowan University Student Scholars Symposium (RUSSS).** To accommodate the larger number of presenters and attendees, RUSSS will be a **two day event.**
