Semester you wish to enroll in Research I _____

Semester you wish to enroll in Research II _____

Faculty mentors you've met with (signature required). Please CIRCLE the number of the faculty member you plan to work with

1. _____

2. _____

3. _____

Project Title

You will be required to complete a MANDATORY laboratory safety training **online**. You must complete this and provide it to your research mentor BEFORE starting in the lab. Failure to do so will negate your registration and you will be dropped from the class.
