

Mathematics Department Colloquium

Speaker: Dr. Tom Osler, professor, Rowan University Department of Mathematics.

Title: A Child Garden of Fractional Derivatives.

Date and Time: Tuesday, October 22, 2019 at 2:15 pm

Place: James 2101

Abstract: Dr. Tom Osler will discuss how he first found fractional derivatives in 1968 and will discuss some of the early history of the subject. The talk is elementary and suitable for undergraduate students who have had Calculus.
