- BS transfer students will need a prereq waiver to take PSY 01301 Psych of Scientific Thinking and PSY 07301 Statistics in Psychology the same semester. Please contact psychadvising@rowan.edu for more information. Approval depends on transfer GPA and permission by Undergraduate Program Coordinator and Statistics Instructor.
- Complete the research interest form: go.rowan.edu/researchinterestform to join a faculty lab ASAP.
 - BS students are required to work in a lab and complete PSY 01426 Research Experience in Psych (3 sh) as part of the major. To learn more about our research visit: <https://csm.rowan.edu/departments/psychology/research/>
 - To register for PSY 01426 see this flyer  Research Experience Flyer.pdf

Should be taken that semester
