

ARE YOU LOOKING FOR PART- TIME, FLEXIBLE WORK IN YOUR FIELD?

Family Therapy And Consultation Services/ United Family Services, located in Woodbury, NJ, provides behavioral health treatment for children with autism and other developmental disabilities. Services are rendered in the home and community. We are currently seeking students with prior experience in working with developmentally- challenged children. We are expanding our program and seeking individuals who qualify to work as behavioral technicians. We are also offering opportunities for both BCaBA's and BCBA's. We offer **Competitive reimbursement rates**, and have opportunities in Camden, Burlington, Mercer and Atlantic Counties.

If you are seeking part- time, fee- for- service work, and would like to schedule an interview, please call:

Mike McKee MA, LPC, ACS
Clinical Director

856-332-4698
