		Statistics in Psych	
		Research Methods	

The level of any Psychology course can be determined by the last three digits of the course number. For example, Essentials of Psychology, PSY 01**107** is a 100 level course.

NOTE: Not all courses are offered regularly. This list is intended to provide a guide to show the levels of currently-offered courses. Other courses not listed here because they are no longer offered may be acceptable for the minor. Please consult the Advising Coordinator.
