Please join us for a discussion with Ph.D. student Gregory Taylor. Gregory will be sharing his path to pursuing a doctoral degree in [Materials Science & Engineering](#). He will discuss some of his current research, his challenges, his accomplishments, and his advice for students hoping to follow a similar route.

All students and faculty are welcome to attend.

This event is part of the College of Science & Mathematics and School of Health Professions' Road to Research Series. Visit <http://go.rowan.edu/roadtoresearch> for listing of additional Webex events.
