

**Friday, Nov. 13
11 am – 12 pm**

Webex event

Register [here](#) or scan

Please join us for a discussion with [Department of Health & Exercise Science](#) assistant professor, Nicole Vaughn. Dr. Vaughn will be sharing her path to becoming a community-based, participatory research scientist addressing chronic disease prevention in underserved and urban settings. She has training in cardiovascular behavioral medicine and has focused her career on health disparities reduction and trauma informed programs. Dr. Vaughn will discuss some of her current research, her challenges, her accomplishments, and her advice for students hoping to follow a similar route.

All students and faculty are welcome to attend.

This event is part of the College of Science & Mathematics and School of Health Professions' Road to Research Series. Visit <http://go.rowan.edu/roadtoresearch>.
