RESEARCH EXPERIENCE

Grant Activity

APA Summer Undergraduate Research Opportunity Grant
American Psychological Association. Funds requested: \$35,826.
Role: Lead PI; Co-PI: Kimberly Kirby. (Unfunded).

CLAS Summer Grant. 5/30/11-8/30/11
Self-Help Treatment and Prevention of Depressive Disorders.
Role: PI

Aggressive Driving Prevention and Treatment Program Willis, Angelone, Pagell (Co-PI's)
New Jersey Department of Law and Public Safety, Division of the Highway Traffic Safety Department

This grant supported an interdisciplinary program for court directed individuals who demonstrated an illegal and unsafe level of "road rage" and aggressive driving. The treatment program we developed provided further information about who might benefit from such targeted interventions, improved upon previously developed interventions, and evaluate the efficacy of the improved intervention both at follow up and six-months post treatment. Role: Co-PI

R01 DA018696 Kirby (PI) 2005 - 2010
NIH/NIDA

CRAFT Behavior Therapy Phase 2 Study: Tx Entry Component

This research involves a comparison of three interventions for concerned significant others of substance abusers. My involvement in this project was to coordinate the evaluation of treatment integrity for these three interventions. As such, I developed a system for evaluating treatment integrity, trained and monitored all raters involved in the project, and developed estimates of integrity and inter-rater reliability for the data collected. Role: Consultant
