CALLING STUDENTS INTERESTED IN NEW ELECTIVES

Please consider registering for these courses for the Spring 2022. For questions about the courses, please email your academic advisor.

PSY 01105 Psych of Ethnic Identity - This course will facilitate students' development of knowledge and appreciation of racial/ethnic identity formations and their impact on intergroup relations and orientations toward community in America.

PSY 01423 Seminar: Emerging Adulthood This course focuses on emerging adulthood (ages 18-25) as a unique time in development. The course is taught in a seminar format and will explore the transition out of adolescence into adulthood.

PSY 02330 Single Subject Methodology This course provides students with the knowledge and skills to choose and implement an appropriate single-subject experimental design.
